

Crunch, Crunch, Crunchy Leaves!

Sing along with Hootenhollow

CHORUS

Crunch, crunch, crunchy leaves! (crunch, crunch!)
Tumbling down from autumn trees,
Red and yellow, orange, brown,
Twirl around and stomp the ground!

VERSE 1

Wind is blowing, whoo, whoo, whoo! (who, whoo!)
Leaves are dancing, I can too!
Spread your arms and sway, sway, sway, (sway, sway!)
Flutter, flutter, fly away!

CHORUS

Crunch, crunch, crunchy leaves! (crunch, crunch!)
Tumbling down from autumn trees,
Red and yellow, orange, brown,
Twirl around and stomp the ground!

VERSE 2

Pick them up, one, two, three, four,
Five big leaves and then some more! (five big leaves!)
Rake, rake, rake them in a pile, (rake, rake!)
Jump in with a great big smile!

CHORUS

Crunch, crunch, crunchy leaves! (crunch, crunch!)
Tumbling down from autumn trees,
Red and yellow, orange, brown,
Twirl around and stomp the ground!

BRIDGE - SLOWER

Slowly, slowly, floating down,
Like a leaf without a sound,
Curl up small and hug your knees,
Wiggle, wiggle in the breeze! (in the breeze!)

CHORUS

Crunch, crunch, crunchy leaves! (crunch, crunch!)
Tumbling down from autumn trees,
Red and yellow, orange, brown,
Twirl around and stomp the ground!

OUTRO

Crunch, crunch, crunch, now wave bye-bye,
Leaves go dancing through the sky!
