

Shadow, Shadow, Who Are You?

The song from "Fenna and the Giant Shadow" · Hootenhollow

CHORUS

Shadow, shadow, who are you?
Big and round and wiggly too!
Ask 'But why?' and look and see,
Hold a paw and come with me!

VERSE

Tiny duck by the lamp so bright
Makes a giant, what a sight!
Step back, shadow small, small, small,
Step close, shadow tall, tall, tall!

CHORUS

Shadow, shadow, who are you?
Big and round and wiggly too!
Ask 'But why?' and look and see,
Hold a paw and come with me!
