

One Little Step

The song from "Lila's Brave Little Song" · Hootenhollow

CHORUS

One little step, nice and slow,
Ears up high, and here we go!
Feeling shy? That's okay!
Little steps, hip-hip-hooray!

VERSE

Sing to a flower, la, la, la!
Sing to a friend, tra-la-la!
Hold my paw and step with me,
Now we're singing, one, two, three!

CHORUS

One little step, nice and slow,
Ears up high, and here we go!
Feeling shy? That's okay!
Little steps, hip-hip-hooray!
