

Tell the Truth!

The song from "Tamkin Tells the Truth" · Hootenhollow

CHORUS

Tell the truth, it's brave to do! (brave to do!)
Tell the truth, it's brave to do! (brave to do!)
Say it kind and say it true,
Friends can fix it, me and you!

VERSE

Oops! A bump! Oh, look and see! (oops!)
It was me, yes, it was me!
Big breath in and big breath out, (whoosh!)
Happy tummy, jump and shout! (hooray!)

CHORUS

Tell the truth, it's brave to do! (brave to do!)
Tell the truth, it's brave to do! (brave to do!)
Say it kind and say it true,
Friends can fix it, me and you!
