

Slow and Steady

The song from "Tamkin's Too-Fast Race" · Hootenhollow

CHORUS

Slow and steady, nice and slow,
Look, look, look before you go!
Fast is fun, and that is true,
But kind is best for me and you!

VERSE

Zoom like Tamkin, zoom, zoom, zoom!
Step like Bimble, boom... boom... boom...
Friend is stuck? Oh no, oh no!
One, two, three, and up we go!

CHORUS

Slow and steady, nice and slow,
Look, look, look before you go!
Fast is fun, and that is true,
But kind is best for me and you!
