

Rest Now, Play Later

The song from "Wobble Won't Nap" · Hootenhollow

CHORUS

Rest now, play later! (play later!)
Rest now, play later! (play later!)
Breathe in slow and breathe out slow,
Sleepy, cozy, off we go!

VERSE

Big, big yawn and stretch up high! (aaah!)
Rock your arms, a lullaby,
Paws beneath your cheek like this,
Close your eyes and blow a kiss!

CHORUS

Rest now, play later! (play later!)
Rest now, play later! (play later!)
Breathe in slow and breathe out slow,
Sleepy, cozy, off we go!
